Vol. 352 MONTHLY NEWSLETTER June-July 2022

Now when Jesus saw the crowds, He went up on the mountain; and after He sat down, His disciples came to Him. 2 And He opened His mouth and began to teach them, saying, 3 Blessed are the poor in spirit, for theirs is the kingdom of heaven.

Therefore, everyone who hears these words of Mine, and acts on them, will be like a wise man who built his house on the rock. 25 And the rain fell and the floods came, and the winds blew and slammed against that house; and yet it did not fall, for it had been founded on the rock.

When Jesus had finished these words, the crowds were amazed at His teaching; 29 for He was teaching them as one who had authority, and not as their scribes.

Mat. 5:1-3; 7:24-29

These words of our King Jesus, continue to amaze us as we see their eternal effect on our lives, when by grace we have become His children and citizens of His kingdom through faith in Jesus Christ. We were blessed as we studied the Sermon on the Mount during our "End of School Year" Bible Conferences with pastor **Aaron Burgner** from Lakes Church. Aaron came for this special time of conferences and brought challenging insights regarding how we should live our lives for the Lord Jesus Christ, for the glory of His Name and the advancement of His Kingdom. We celebrated the Lord's goodness as we finished this school year 2021-2022 by His grace. There were many Covid related challenges throughout the year but we were able to conclude the classes in both the Full Time, and Saturday Seminary Bible Schools successfully.

Pastor Aaron Burgner

Christian Music School Grads

FBCH Medical

We praise and thank the Lord for this, and also we thank each of you who have lovingly helped us throughout this time with your offerings and prayers.

Pastor Aaron was later joined by his Youth group from Lakes Church led by his wife, Tiffany, and youth minister Kyle Weeks. We admired the strength and energy of this group of teenagers, who willingly tackled each of the tasks that we gave them to do. They helped start a much needed addition to Jimmy and Leslie's house, as Jimmy's family has grown in number and size. They also helped us paint the Main Kitchen, a very important area for all the MITC mission family and visitors. Also during this time with our friends from Lakes we had the graduation ceremony for our **Christian Music School**, during which pastor **Alex Davis** preached, encouraging the young musicians to serve the Lord Jesus with their musical gifts. Presently all these **young graduates** are actively serving in their churches playing their instruments.

The first of our summer Medical Mission teams came from **First Baptist Haughton**, led by **Mark and Sherri Hagerjhelm**. It was a blessing to be able to go to several different towns and villages using the medical clinic to help share the love and Message of our Lord Jesus. They were able to go and treat the people up in the mountains at Tequila, and Villanueva among the Nahuatl Indian people as well as several towns closer to the Cordoba region. We thank the Lord for His provision medically and spiritually through this group of brethren.

We greatly missed our beloved brother Cecil Snider (who the Lord called home in Dec 2020) during the visit of our brethren from the **Summer Grove Baptist Church**. This team that he led for for over 2 decades continued in that beautiful tradition of love, service, and service, and generosity, that has been the characteristic of this team through these many years. Now the group is led by **Mark Ambrose**, and Hispanic Pastor **Paul Flowers** and his wife **Shannon**.

Ambrose and Flowers

SGBC Work Team

We greatly enjoyed times of ministry and fellowship together in several churches in the area, and at the orphanages. We were blessed Paul preaching of in our Chapel services, and by Shannon teaching the children, using her “special story and story book” to illustrate the Gospel message for children. Each year Shannon writes a new story and makes an illustrated book, and then comes and shares it with our students, so that they can use it in their children ministries. We rejoiced to see Sister Sissy Snider who also came and served with the team and was a great encouragement to us all and to the group her husband formed and led for many years. To God be the glory for His continuing work among us.

Bryan McCullough came to Cordoba as a youth over 30 years ago with the **Woodcreek Church**(formerly RBFC) youth group. It was a blessing to see him come back now being one of the church Elders, and also as the group leader for the college and high school team. **Andrew** his son also returned this year for another mission trip to MITC but now as a college student. It is a blessing to see the Lord’s faithfulness from one generation to the next, and if the Lord tarries, we hope for many more! This group helped with some of our construction projects here on campus, doing some concrete mixing (by hand), and helped paint, and in preaching in churches and sharing the Gospel with children in Bible Clubs . They also went up into the mountains to help paint the mission church where our 4th year student Alejandro Santiz was serving as missionary pastor.

Our second Medical Mission team of the Summer was led by our MITC board member **Dr. Jeff German** and his wife Dr. Carrie. They too have been very faithful for many years coming to serve the Lord here at MITC leading a capable team of medical personnel to come and treat people with all kinds of disease. This team has been used in a special way as they go up in the mountain villages and stay in the homes of the brethren or in the small local church buildings. They have been instrumental in opening the door for the Gospel in new areas where there are no Gospel believers. This time the Lord used them in 2 places where we are hoping to see churches start soon: San Lucas Palmillas and Mexcala. Please pray that the Word planted by this medical team and our staff and students will bear fruit in the Lord’s time.

As you can tell by this letter we are back to our “normal” summer outreach activities, it is wonderful to see the blessings flow through thru this place and the whole MITC mission team both those who come and join us for a week of intense ministry, and for those who are here full time. None of this would be possible without God’s provision, protection, and blessing. We are very grateful for each one of you who support us through your loving prayers and giving. May the Lord continue to use us all together to accomplish His Kingdom purposes through us, all for His glory.

By His grace,

Dan and Chuy Hall
